Communication concerning Initial Assessment

Reference: RDW- 92050867-00

Dear Sir/Madam,

RDW, the Approval Authority for the Netherlands, has performed an Initial Assessment on documents, to verify if the hereafter mentioned Manufacturer fulfils the requirements concerning the Conformity of Production (COP) in order to be able to issue EC or ECE approvals.

The Manufacturer concerned is:

Time Technoplast Ltd.
102, Todi Complex, 35, Saki Vihar Road, Andheri (E)
Mumbai - 400 072, India

RDW herewith states that above mentioned Manufacturer has documented adequately the measures and procedures to assure that components, technical systems or vehicles are produced in such fashion that the COP is guaranteed. Verification of effectiveness of these measures will take place at a later time.

This initial assessment concerns the production of:

- Spray Suppression System according to Directive: 91/226/EC

and the following production facilities:

- above mentioned address

The Manufacturer is obliged to the following:

- constantly be able to demonstrate that produced components, technical systems or vehicles comply with the approved type
- report relevant changes in product or organisation as well as the Quality Assurance to the Technical Service or RDW
- provide on request of RDW documents or reports concerning COP
- allow employees of RDW entrance to mentioned production facilities in order to verify COP measures.

Validity : until further notice

Place : Zoetermeer

Date : 18 AUG. 2006

Signature : On behalf of the management of the RDW

COMMUNICATION CONCERNING INITIAL ASSESSMENT

Reference: RDW-92050867-01

RDW, the Approval Authority for the Netherlands, has performed an Initial Assessment based on document review, to verify compliance with Annex X of the actual Directive 70/156/EEC as well as Appendix 2 of Revision 2 of the ECE Agreement. The manufacturer fulfils the requirements concerning the Conformity of Production (COP). EC or ECE approvals shall be issued.
The Manufacturer concerned is:

Time Technoplast Ltd.
102, Todi Complex, 35, Saki Vihar Road
Andheri (E), Mumbai-400072, India

RDW herewith states that above mentioned Manufacturer has documented adequately the measures and procedures to assure that components, technical systems or vehicles are produced in such fashion that the COP is guaranteed. Verification of effectiveness of these measures will take place in due time.

This initial assessment concerns the production of:

- Components according to Directive 91/226/EC.

And the following production facilities:

- See Annex.

The Manufacturer is obliged to the following:

- Constantly be able to demonstrate that produced components, technical systems or vehicles comply with the approved type.
- Report relevant changes in product or organisation as well as the Quality Assurance to the Technical Service or RDW.
- Provide on request of RDW documents or reports concerning COP.
- Allow employees of RDW entrance to mentioned production facilities in order to verify COP measures.
